REGARDS,

ALL CUT FOODS PTY LTD MANAGEMENT

All Cut Foods have been supplying a vast range of freshly prepared processed fruit and vegetables for the hospitality and foodservice industry since the company's inception in 1998. A Gourmet Salad range was added soon after to fulfil the need requested by our growing customer base for 'restaurant quality' prepared salads.

Today, All Cut Foods enjoys the status of having the most extensive menu of quality bulk supplied Gourmet Salads in the wholesale foodservice market of Queensland. Primarily designed by our Executive Chef, using the freshest of ingredients, each Gourmet Salad on our menu reflects the essential need for our customers to receive a quality product that 'looks appetising, is tasty and affordable'.

All Cut Foods is accredited under the Silliker Food Safety System, producing safe, quality food under HACCP (Hazard Analysis Critical Control Point) guidelines. Our commitment to food safety is ongoing with regular staff training and implementation of new systems to maintain our high standards. With food safety in mind, our new manufacturing facility was purpose built and is located in Salisbury, in close proximity to Brisbane's Rocklea Markets. As well as being highly functional, with state of the art processing machinery, we constantly ensure that the temperature and sanitation in our premises is controlled and continually monitored.

Our refrigerated delivery vehicles service Brisbane, Ipswich, Gold Coast, and Sunshine Coast.
